

Eureka & Arcata Preservation Education Workshop Agenda 2 May 2019

9:00 - 9:30

Coffee and Registration

9:30 - 9:45

Welcome and Introductions

9:45 - 10:45

CEQA and the Identification of Historical Resources

Lucinda Woodward, Cultural Resources Program Manager

A project with an effect that may cause a substantial adverse change in the significance of an historical resource is a project that may have a significant effect on the environment. Attendees will learn how a lead agency determines if a resource is a "historical resource" subject to CEQA.

10:45 - 11:00

Break

11:00 - 12:00

Historic Resource Surveys As Part of the Planning Process

Amanda Blosser, OHP Survey Coordinator

Historic resource identification is the cornerstone to an effective local preservation program. Attendees will learn how to integrate context statements and historic resource surveys into the local land-use planning process.

12:00 - 1:30

Lunch (On your own to explore Eureka)

1:30 - 2:30

The Mills Act as a Local Preservation Incentive

Shannon Lauchner, OHP Mills Act Coordinator

The Mills Act is the single most important economic incentive program in California available to local governments. Attendees will learn the basic tenants of the law as well as how to build and manage a program that works for their community.

2:30- 3:30

Afternoon Roundtable Discussion and Q&A
