

## Long Beach Preservation Education Workshop Agenda 23 March 2018

**9:30 – 10:00**      **Registration and Introductions**

**10:00 – 10:55**      **Local Government Preservation: Tips and Advice**  
Lucinda Woodward, Cultural Resources Program Manager

Understanding the critical elements of an effective preservation program. Attendees will learn how to identify shortcomings in their existing ordinances and how to begin the process of strengthening their local programs.

**10:55 – 11:05**      **Break**

**11:05 – 12:00**      **Survey and Landmark Designation as part of the Planning Process**  
Amanda Blosser, OHP Survey Coordinator

Historic resource identification is the cornerstone to an effective local preservation program. Attendees will learn how to integrate context statements and historic resource surveys into the local land-use planning process.

**12:00 – 1:30**      **Lunch** (On your own to explore Long Beach)

**1:30 – 2:30**      **The Mills Act as a Local Preservation Incentive**  
Shannon Lauchner, OHP Mills Act Coordinator

The Mills Act is the single most important economic incentive program in California available to local governments. Attendees will learn the basic tenants of the law as well as how to build and manage a program that works for their community.

**2:30- 3:15**      **Afternoon Roundtable Discussion and Q&A**

**3:15 – 4:15**      **Optional Tour**

**4:30 – 6:00**      **Social Gathering**
