monca the former Veterans Hall
7:00pm, Wednesday, May 24, 2018

Speaker: Bud Tracy relating "A Builder's Story or Things My Father Taught Me"

May is Historic Preservation month! To celebrate we have many activities described below, but the grand finale will be our Awards Ceremony on May 23rd from 7 to 9pm to be held at The Museum of Northern California Art (monca). This year's recipients will be several more wonderful houses that show outstanding stewardship of Chico's history. We will also have a most interesting talk by Bud Tracy who is responsible for renovating many historic buildings, the Silberstein Building, most recently the Oroville Hotel and whose father built Eastwood Park, the charming storybook houses that line 8th, 9th and Eastwood Streets.

So come and join us and find out who gets the awards this year and learn more about our fascinating building heritage!
