**PLAQUES FOR PROPERTIES
LISTED IN THE
NATIONAL REGISTER OF HISTORIC PLACES
CALIFORNIA REGISTER OF HISTORICAL RESOURCES
CALIFORNIA HISTORICAL LANDMARKS, AND
CALIFORNIA POINTS OF HISTORICAL INTEREST**

Owners are not required to display a plaque or any signage that identifies their house as being on the National Register or the California Register. Owners of registered historic properties may purchase a marker or plaque from one of several manufacturers. Neither the Office of Historic Preservation (OHP) nor the National Park Service (NPS) promotes or recommends any particular type of marker or plaque to recognize registered properties. There are no requirements regarding inscriptions on such plaques for properties listed in the National Register, in the California Register, or as a California Point of Historical Interest. Please see the specific requirements regarding plaques for **California Historical Landmarks** at http://www.ohp.parks.ca.gov/?page_id=1056.

The manufacturers on the following page, listed here in alphabetical order, have been identified either through their advertising in *The Old House Journal Catalog* and/or *Preservation Magazine* as suppliers of custom and generic markers for National Register properties, and/or have requested listing in the National Register section of the NPS website. NPS and OHP do not **endorse, authorize, recommend or imply any connection to any one company over another, including any company not listed here**. We are merely aware that these companies sell plaques. Please contact these companies directly for product information.

NOTE: Some manufacturers use the wording *placed on* the National Register. The terminology used by the Department of the Interior is *listed in*....Request *listed in the National Register of Historic Places*, not *placed on*, when you order your plaque.
