**PLAQUES FOR PROPERTIES LISTED IN THE
NATIONAL REGISTER OF HISTORIC PLACES, CALIFORNIA REGISTER OF
HISTORICAL RESOURCES, CALIFORNIA HISTORICAL LANDMARKS, AND
CALIFORNIA POINTS OF HISTORICAL INTEREST**

Owners are not required to display a plaque or any signage that identifies their house as being on the National Register or the California Register. Owners of registered historic properties may purchase a marker or plaque from one of several manufacturers. Neither the Office of Historic Preservation (OHP) nor the National Park Service (NPS) promotes or recommends any particular type of marker or plaque to recognize registered properties, nor are there any requirements regarding inscriptions for such plaques.

The following manufacturers are listed in *The Old House Journal* Catalog as suppliers of custom and generic markers for National Register properties. (There may be a current edition in your local library.) Owners may contact these companies directly for product information.

Note: Some manufacturers use the wording *placed on* the National Register. The terminology used by the Department of the Interior is *listed in....* Request *listed in the National Register of Historic Places*, not *placed on*, when you order your plaque.
