## CAMPGROUND IS OFF-LIMITS TO DAY USE

*New Brighton State Beach is a popular 93-acre park with 111 developed campsites, a group picnic area, day-use parking for 235 cars, and almost one mile of shoreline. The campsites accommodate tents and RVs up to 36' in length. There are no sewer hookups. However, there are fully developed restrooms with hot pay showers in the campground and a sanitation station for RVs. Nine campsites are designated "PREMIUM" and added fees apply. The park centers around aquatic activity with a small pocket beach that is extremely popular for swimming, sunbathing, beach-combing and surf fishing. A hiking trail leads from the campground down to the bluffs and to the beach. Hiking trails also follow the cliffs to surface streets which lead to the village known as "Capitola by the Sea".*

**OCCUPANCY** Eight people are allowed per family campsite.

**VEHICLE PARKING** Campsites are designed to accommodate no more than two vehicles. Additional vehicles must be parked in the overflow parking. Call for information on the extra vehicle charge.

**VEHICLE RULES** Vehicles must park on pavement. (This prevents damage to tree roots and plant life.)

**TRAILERS** No water or effluent may be discharged onto the ground. Please use appropriate RV sanitation stations.

**CHECKOUT TIME** Checkout time is noon. Please vacate your site by that time.

**DOGS** Dogs must be kept on a leash no longer than six feet and under control at all times. Dogs must be confined to a vehicle or tent from 10 p.m. to 6 a.m. Please clean up after your pets.

**WILDLIFE** Campers at New Brighton State Beach should be wary of the numerous raccoons that live in the park. They come out at night and love to feast on campers' food. These clever animals can get into ice chests and food lockers, so make sure that all food is safely put away. Remember that all wildlife should only be observed from a distance and not approached or fed.

**FIRES AND FIREWOOD** Fires are allowed only in established fire rings or camp stoves. Do not build ground fires outside the fire rings or leave campfires unattended. Do not gather firewood in the park—the nutrients must be allowed to recycle back into the ecosystem. You may purchase firewood at the entrance station and camp host site.

**SPEED LIMIT** The maximum speed limit is 15 mph. Use good judgement.

**QUIET HOURS** Quiet hours are from 10 p.m. to 8 a.m. To ensure an enjoyable experience for everyone, please do not disturb other campers, regardless of the time of day or night.

**NOISE** Radios and other sound-producing devices must not be audible beyond your immediate campsite, regardless of the time of day or night. Engine driven generators or other devices are not to be operated between the hours of 8 p.m. and 10 a.m.

**ALCOHOL** No alcohol is allowed on the beach and in the day-use picnic area.

**THEFT WARNING** Keep your vehicles locked and your valuables out of sight. Do not leave property out at night. Report suspicious activity to a ranger or camp host.
